Good Morning John,
In my email I did ask people to contact me if they were planning on attending, so far I have only heard from one person from Kokhanok. If Katherine hasn't heard from anyone I would recommend we call, I could do this today.

Thanks! Tami

Hi John!

Since I've not been involved in the planning of and won't be attending the meeting myself, I indicated in the preface to the invitation to tribes that they should contact Tami with any questions. The invitation didn't ask specifically for any sort of RSVP. Unfortunately, I believe Tami is out of the office today. I gave my best guess as to who might attend in the 6/3/08 memo to Tami below.

Have a nice weekend!
Thanks,

Hi Katherine. I'm just checking in; have you heard back from the Tribes if they are attending? Do we have a rough estimate of how many people might attend?

Thanks.
